SAILING VACATION CHARTERS

to Elba, Sardinia, Sicily

Set sail with us as we embark on a new chapter of traveling experiences in Italy - we welcome you to spend a week or a weekend on the Italian Mediterranean with our select collection of sailboats. These charters also feature our own America's Cup experienced captain.

Our sailing vacation charters will depart from a selection of ports in Italy. Based on your selected base departure you may visit favorite ports-of-call in Elba, the other Tuscan islands such as Giglio or Giannutri; plus Sardinia or Sicily and the nearby Aeolian Islands.

The charters include fully outfitted sailboats with private cabins, an experienced captain, snorkel gear, bed and bath linens, fuel, port charges, and boat insurances.
